“DREAM DO DARE”

Principal's Message

Dear Teachers, Parents, and my Dear Students,

As we step into the new academic session of 2025, let us move forward with renewed hope and a heart full of dreams. In the inspiring words of Dr. A.P.J. Abdul Kalam, "Dream is not that which you see while sleeping, it is something that does not let you sleep." These words remind us that dreams require passion, courage, and commitment.

Teachers and parents play a vital role in turning these dreams into reality. While teachers ignite the spark of curiosity and guide the students with wisdom and care, parents provide the strength, values, and support that shape a child's character. Together, they form the strong foundation on which a student's future is built.

As Walt Disney once said, "All our dreams can come true, if we have the courage to pursue them."

Dear students, may you dream fearlessly, dare to explore new possibilities, and do your best in every step you take. Let this academic year be a journey of growth, purpose, and achievement for all.
